INDEX TO VOLUME XII

Abelson, P. W., and Flowerdew, A. P. J.: Models for the economic evaluation of road maintenance. A comment, by Y. Gerchak and W. G. Waters II 103
Abstracts of articles - in English, German and French 112, 114, 116, 218, 220, 222, 335, 337, 339
Accidents - Valuation of accident cost savings. A note, by S. Thomas 330
Air conditioning in cars 232
Air transport
Access to airports - surface and air 142, 146
Airline demand functions in the North Atlantic and their pricing implications, by Mahlon R. Straszheim 179
Airports - an economic survey, by A. A. Walters 125
Further evidence on factors influencing operating costs of U.S. commercial airlines, by Carl E. Särndal and others 47
Measuring the costs of noise nuisance from aircraft. A review article, by M. Whitbread 202
Passengers - business and leisure 127
Size of aircraft and air transport movements 131
Analysis of capacity utilisation in liner shipping, by J. A. Zerby and R. M. Conlon 27
"Analytical approach to physical distribution management", by Roger Willis 111
Atlantic - Airline demand functions and their pricing implications, by M. R. Straszheim 179
Australia-Europe Shipping Conference 35
Automatic transmission in cars 232

Bangkok
Congestion costs in a transport system, by Trent J. Bertrand 244
Baxter, M. J.: Long distance day tripping. A comment, by M. J. Baxter. A rejoinder, by S. L. Edwards and S. J. Dennis 209, 211
Beesley, M. E., and Gwilliam, K. M.: Transport policy in the United Kingdom. Two comments. (1) by George Charlesworth, (2) by Angus Dalgleish. A rejoinder, by M. E. Beesley and K. M. Gwilliam 212, 213, 215
Bertrand, Trent J.: Congestion costs in a transport system - with an application to Bangkok 244
Book notes 110, 216
Bös, Dieter: Distributional effects of maximisation of passenger miles 322
Bridge collapse - evaluation of contingency plans 56
Buses
Demand for urban bus transit in Canada, by M. W. Frankena 280
Distributional effects of maximisation of passenger miles, by D. Bös 322
Management objectives, fares and service levels in bus transport, by C. A. Nash 70
Maximisation of passenger miles in theory and practice, by S. Glaister and J. J. Collings 304
Business and leisure traffic - airports 127

Canada
Demand for urban bus transit, by Mark W. Frankena 280
Forecasting the demand for railway freight services, by P. S. Rao 7
Capacity utilisation in liner shipping, Analysis of, by J. A. Zerby and R. M. Conlon 27
Cars
Car travel costs 286, 298
Passenger car comfort and travel decisions, by E. S. Neumann and others 231

Charlesworth, George: Transport policy in the United Kingdom. Two comments: (1) by G. Charlesworth; (2) by A. Dalgleish. A rejoinder, by M. E. Beesley and K. M. Gwilliam 212, 213, 215
Collings, J. J., joint author: Maximisation of passenger miles in theory and practice 304
"Commercial vehicle buyers' guide" 111
Commuter travel time savings 86
Congestion
Congestion costs in a transport system, with an application to Bangkok, by Trent J. Bertrand 244
Road traffic levels in Greater London 98
Conlon, R. M., joint author: An analysis of capacity utilisation in liner shipping 27
Contingency plans for the collapse of a bridge, Evaluation of, by B. G. Jackson 56
Cook, P. Lesley, and Surrey, A. J.: "Energy policy - strategies for uncertainty" 216
Costs
Airports 135
Contingency plans for collapse of bridge 59
Incidence of transport costs on exports from the United Kingdom, by G. P. Sampson and A. J. Yeats 196
Operating costs of U.S. commercial airlines 47
Valuation of accident cost savings 330
Vehicle operating costs - Bangkok 264

Dalgleish, Angus: Transport policy in the United Kingdom. A comment, by A. Dalgleish. A rejoinder, by M. E. Beesley and K. M. Gwilliam 213, 215
Davis, Grant M., and Dillard, John E.: "Increasing motor carrier profitability" 216
Demand
Airline demand functions in the North Atlantic and their pricing implications, by M. R. Straszheim 179
Airports 127
Railway freight services 7
Urban bus transit in Canada 280
Dennis, S. J., joint author: Long distance day tripping. A rejoinder 211
Distributional effects of maximisation of passenger miles, by Dieter Bös 322
Duffield, Brian S., and Coppock, J. T.: "Traffic mix model. A methodology for estimating recreational traffic flows" 110

"Economic value of peace and quiet", by D. N. M. Starkie and D. M. Johnson 202
Edwards, S. L., and Dennis, S. J.: Long distance day tripping. A comment, by M. J. Baxter. A rejoinder, by S. L. Edwards and S. J. Dennis 209, 211
Energy policies and design of cars 231
"Energy policy - strategies for uncertainty", by P. L. Cook and A. J. Surrey 216
"Energy syndrome", edited by L. N. Lindberg 217
Essay competition in transport 333
Europe - Australia Shipping Conference 35
Evaluation of alternative contingency plans for the collapse of a bridge, by B. G. Jackson 56
Exports - Incidence of transport costs . . . U.K. 196

Forecasting the demand for railway freight services, by P. Someshwar Rao 7
Frankena, Mark W.: The demand for urban bus transit in Canada 280
Freight
Airport demand 130
Analysis of capacity utilisation in liner shipping, by J. A. Zerby and R. N. Conlon 27
Capacity utilisation in liner shipping, by J. A. Zerby and R. M. Conlon 27
Forecasting the demand for railway freight services, by P. Someshwar Rao 7
Incidence of transport costs on exports from the U.K. 196
Rail and road - avoidable cost basis 213, 215

Gerchak, Y., and Waters, W. G.: Models for the economic evaluation of road maintenance. A comment 103

German Advisory Group, Office of Metropolitan Traffic Planning, Bangkok 244, 264
Glaister, S., and Collings, J. J.: Maximisation of passenger miles in theory and practice 304
Goods - *see* Freight
Goodwin, P. B. 232
Gwilliam, K. M., joint author: Transport policy in the United Kingdom. A rejoinder 215

Hazard, John L.: "Transportation management economics" 110
Heaver, T. D., and Nelson, James C.: "Railway pricing under commercial freedom: the Canadian experience" 110
Hensher, David A.: Studies of the valuation of commuter travel time savings. A comment, by Kenneth A. Small. A rejoinder, by David A. Hensher 86, 90
Hong Kong
Size of vessels and turnround time, by Ross Robinson 161

Incidence of transport costs on exports from the United Kingdom, by Gary P. Sampson and Alexander J. Yeats 196
Income
Demand for urban bus transit in Canada 287
Value of time savings 93
"Increasing motor carrier profitability", by G. M. Davis and J. E. Dillard 216

Jackson, B. G.: Evaluation of alternative contingency plans for the collapse of a bridge 56
Journal of Transport Economics and Policy 109, 333, 334

"Labour shortage and economic analysis", by B. Thomas and D. Deaton 216
Leitch Committee on Trunk Road Assessment 330
Lewis, David: Estimating the influence of public policy on road traffic levels in Greater London. A comment, by Leonard R. Roueche. A rejoinder, by David Lewis 98, 99
Lindberg, Leon N. (editor): "The energy syndrome" 217
London
Influence of public policy on road traffic levels 98, 99
London Transport objectives for buses 70, 304, 322
Long distance day tripping. A comment, by M. J. Baxter. A rejoinder, by S. L. Edwards and S. J. Dennis 209, 211

Maintenance of roads - models for economic evaluation 103
Management objectives, fares and service levels in bus transport, by C. A. Nash 70
Markovian decision model for road maintenance 105
Maximisation of passenger mileage subject to a budget constraint 76
Maximisation of passenger miles, Distributional effects of, by Dieter Bös 322
Maximisation of passenger miles in theory and practice, by S. Glaister and J. J. Collings 304
Measuring the costs of noise nuisance from aircraft. A review article, by Michael Whitbread 202
Models for the economic evaluation of road maintenance. A comment, by Y. Gerchak and W. G. Waters II 103

Nash C. A.: Management objectives, fares and service levels in bus transport 70
Nationalised industries - objectives 71
Neumann, Edward S., Romansky, M. L., and Plummer, Ralph W.: Passenger car comfort and travel decisions. A physiological study 231
Noise
Airports 139
Interior noise levels of passenger cars 233
Measuring the costs of noise nuisance from aircraft. A review article, by M. Whitbread 202

Oum, Tae H., joint author: Further evidence on factors influencing operating costs of U.S. commercial airlines 47

Pareto-type social welfare function - bus transport 74
Passenger car comfort and travel decisions, by E. S. Neumann, M. L. Romansky and R. W. Plummer 231
Passenger miles maximisation in bus transport 76, 304, 322
Physiology: passenger car comfort and travel decisions 231
Planning
Airports 142
Evaluation of alternative contingency plans for the collapse of a bridge, by B. G. Jackson 56
Plummer, Ralph W., joint author: Passenger car comfort and travel decisions 231
Population - traffic levels in Greater London 101
Power steering in cars 232
Pricing implications - airline demand functions in the North Atlantic 179
Profit maximisation as objective in bus transport 71, 308
Public policy - influence on road traffic levels in Greater London 98

Railways
Forecasting the demand for railway freight services, by P. Someshwar Rao 7
Rail freight - avoidable cost basis 213, 215
"Railway pricing under commercial freedom: the Canadian experience", by T. D. Heaver and J. C. Nelson 110
Rao, P. Someshwar: Forecasting the demand for railway freight services 7
Recreational traffic
Long distance day tripping 209, 211
"Traffic mix model", by B. S. Duffield and J. T. Coppock 110
Rees Jefreys Road Fund: Essay competition in transport 333
Research - United Kingdom transport policy 212, 215
Reuben Smeed memorial appeal 217
See also Buses
Roads and road transport
Congestion costs in a transport system - with an application to Bangkok, by T. J. Bertrand 244
Economic evaluation of road maintenance 103
Influence of public policy on road traffic levels 98, 99
Passenger car comfort and travel decisions, by E. S. Neumann and others 231
Robinson, Ross: Size of vessels and turnround time. Further evidence from the port of Hong Kong 161
Romansky, Michael L., joint author: Passenger car comfort and travel decisions 231
Roueche, Leonard R.: Estimating the influence of public policy on road traffic levels in Greater London. A comment, by Leonard R. Roueche. A rejoinder, by David Lewis 98, 99

Sampson, Gary P., and Yeats, Alexander J.: The incidence of transport costs on exports from the United Kingdom 196
Särndal, Carl E., Oum, Tae H., and Statton, W. Brent: Further evidence on factors influencing operating costs of U.S. commercial airlines. A cross-sectional study for the years 1967/68 and 1971/72 47
Shipping
Analysis of capacity utilisation in liner shipping, by J. A. Zerby and R. M. Conlon 27
Size of vessels and turnround time . . . Hong Kong, by R. Robinson 161
Size of vessels and turnround time. Further evidence from the port of Hong Kong, by R. Robinson 161
Small, Kenneth A.: Studies of the valuation of commuter travel time savings. A comment, by Kenneth A. Small. A rejoinder, by David Hensher 86, 90
Smeed, Reuben, memorial appeal 217
Social welfare - *see* Welfare

"Stockholm Underground - a technical description" 111

Straszheim, Mahlon R.: Airline demand functions in the North Atlantic and their pricing implications 179
Stress in car driving 234

Tariffs and transport costs - exports from the U.K. 196
Thomas, Barry, and Deaton, David: "Labour shortage and economic analysis - a study of occupational labour markets" 216
Thomas, Simon: The valuation of accident cost savings. A note 330
Thomson, J. Michael: "Great cities and their traffic" 110
Time
Congestion costs - Bangkok 249
Money and time costs of travel by bus - and by automobile 281, 286
Non-working time as part of accident costs 331
Studies of the valuation of commuter travel time savings. A comment, by Kenneth A. Small. A rejoinder, by David A. Hensher 86, 90
Towns
"Great cities and their traffic", by J. Michael Thomson 110
Traffic
"Great cities and their traffic", by J. M. Thomson 110
Influence of public policy on traffic levels in Greater London 98
"Traffic mix model", by B. S. Duffield and J. T. Coppock 110
Transport policy in the United Kingdom. Two comments: (1) by George Charlesworth; (2) by Angus Dalgleish. A rejoinder, by M. E. Beesley and K. M. Gwilliam 212, 213, 215
"Transportation management economics", by John L. Hazard 110
Turnround time - size of vessels 161
Turvey, Ralph: "The analysis of economic costs and expenses in road and rail transport" 111

United Kingdom
Incidence of transport costs on exports, by G. P. Sampson and A. J. Yeats 196
Transport policy 212, 213, 215
United States
Further evidence on factors influencing operating costs of U.S. commercial airlines, by C. E. Särndal and others 47
Imports from U.K. - transport and insurance costs, tariffs, effective protection 198, 200
Passenger car comfort and travel decisions, by E. S. Neumann and others 231

Valuation of accident cost savings. A note, by Simon Thomas 330
Vehicle operating costs, Bangkok 264

Walters, A. A.: Airports - an economic survey 125
